List of publications(Journals)

1. Classification of Textures Primitive Based on Skeletons and Its' Field Applications, IFRS's International Journal of Computing (IJJC), Volume.3, Issue.4, Oct.2013.
2. Cost Benefit Analysis of an Eco-Friendly Auditorium over a Normal Auditorium, International Journal of Engineering Science & Research Technology. Vol2, Issue.9 pp2393-2399.
3. Fuchsite Quartzite from Nellore Schist belt .(1997) , Gondwana Reasrch Vo.1 Issu. 1, October1997, pp.167-169.
4. "Tectonics, Sedimentation and mineralization in the Cuddapahbasin, A.P.", The Indian Mining & Engineering Journal, Nov.1992, Vol.31, Number 11, pp.3-9.
5. "Horblende-pyroxene granulites from Wira area in Khammam District, Andhra Pradesh", Journal of the Indian Academy of Geo. Science, 1992, Vol.35, No.1, pp.38-54
6. "Coexisting pyroxenes from the basic granulites of Visakhapatnam area in the Eastern Ghats Terrain", Proc. Indian Academy of Science, Earth and planetary Science, Vol.100, Sept.1991, pp.281-292.
7. "Water Management in Coastal Gondwana Terrain of Guntur Dt., Andhra Pradesh", Water Ecology, Pollution and Management, Vol.2, Chugh publications, Allahabad, India, 1991, pp.15-27.
8. "Baryte deposits from Pakhals in Khammam district A.P",Journal of Mines, Metals and Fuels, August 1990, pp.160-164.
9. "Geotectonic setting and Igneous activity in Cuddapah Basin,Andhra Pradesh", Indian Journal of Geochemistry, Vol.4, June 1989, pp.85-98.
- 10."Morphometric study of Musi and Paleru river basins", Landscape systems and Ecological Studies, June 1989, Vol.12, pp.32-35.
- 11."Garnet Amphibole coronas in the banded iron formations around Karimnagar", A.P. Journal. of Mines, Metals and Fuels., May 1988, pp.224-227
- 12."Halogen bearing potassium has tingsite from the charnockites of Easter Ghats", Indian Mineralogist, vol.28 No.1 and 2 pp.1-5,1987

13. "Fuchsite quartzite from Nellore schist belt, Andhra Pradesh", Indian Mineralogist, vol.28 No.1 and 2 pp.1-5,1987
14. Classification of Textures Based on Primitive Description of Skeletons and Its' Field Applications, International Journal of Computing , Vol.3, Issue.4, Oct,2013. Pp.340-346.
15. Experimental work on Structural Elements of Concrete by the Replacement of Copper Slag with Fine Aggregate, International Journal of Recent Technology and Engineering, Vol.7, March,2019, pp1951-1955.

Conferences

1. Cost Benefit Analysis of an Eco-sustainable Auditorium over a normal auditorium, Proc. of National Conference on 'New Trend in Civil Engineering & Earth Science (NTCE-2013) Vasavi College of Engineering, Hyderabad., 5-6 Feb.2013.pp.112-119.
2. Earthquake Resistant Design of Multistoried RCC Building on Plane Ground and Sloped Ground – a comparative Study. National Conference on Recent Advances in Structural Engineering, Dept. of Civil Engg. Osmania University, Aug. 2013.pp.149-153
3. Status of Water Supply in Municipal Towns in Andhra Pradesh and Strategies for Sustainable Domestic Water Supply.UGC Sponsored National Conference on Emerging Technologies in Environmental Science, 22-23, Oct.2010. VRS&YRNC, Chirala.
4. Holistic approach for disposal of municipal solid waste, , National Seminar on Solid Waste Management in Chemical and Allied Industries, August 18-19, 2006 Dept of Chemical Engineering , RVR & Jc College of Engineering, Chowdavaram
5. Rain water Harvesting Techniques in a Watershed, Management of Natural Resources – 2002, Nagarjuna University ,pp183-190. December,2002.
6. Role of Rain water Water Harvesting in Urban Water Resources Management.,National Seminar on 'Management of Natural Resources, Dept. Of Geology, Nagarjuna University,pp75-86, March,2002.
6. "Rain Water Harvesting for Rural Development – Need and approaches for Accelerated Ground Water recharge", National Seminar on Energy and Environment and sustainable development. Sri Venkateswara University, 25-26 March, 2000.

7. "Adoption of Fal-G technology for production of building blocks from ash and fly ash produced by biomass power plants and Industrial boilers – A cost-effective disposal", National Seminar on Bulk utilization of Fly Ash, March 18-19, 2001, Annamalai University.
- 8 "REE Patterns in Khondalite suite of rocks from Eastern Ghats, Visakhapatnam", Presented in VIIth I.G.C. and National Seminar, Dec.,1989, Jan 1990, Bangalore University.
9. "Management of the Glass and deposit. A Study from Coastal Andhra Pradesh", National Seminar on coastal management held at Cochin University February, 1989.

International workshop: NI week,20-23, May,2019,-Austin , Texas, US

STTPs:1. Product Design and Development, NITTR, Chandigarh through ICT during, 7-11, November, 2017.

Workshops:

1. Geo Spatial Technology-GST-2012, at Jayam College of Engineering, Dharmapuri, TN, 28-30, June, 2012.
2. Workshop on Ground Improvement Techniques, on 17th Dec, 2012, VR Sidhardha Engineering College , Vijayawada.

Seminars:

National Seminar on Enterprise Growth: Taking your business to greater heights, organized by Confederation of Indian Industries, Vijayawada- 24th , Feb, 2015
